It started with Adam and Eve  
Running round the apple tree  
Now look at us

From the apple to the ring  
Time ain't changed a thing  
When it comes to love

Dontcha see it's the thrill  
If you won't, if you will  
He could be from Mabaline or Tennessee  
Like me

It's the wantin'  
Not the gettin'  
It's the asking pretty please  
And not the lettin'  
That puts the spice in the life of every mans fantasy  
You'll see  
It's the chasin'  
Not the catchin'  
It's the gotta know what's cooking in the kitchen  
Oh, they love a little mystery  
If you wanna keep 'em guessing it's the wantin' not the  
gettin'

So get that French perfume  
Get those high heel shoes  
And Malibu tan

It ain't about all that  
It ain't what he can have  
It's what he can't

For him it's the thrill  
If you won't, if you will  
He could be from New Orleans or Tennessee  
Like me  
It's the wantin'  
Not the gettin'  
It's the asking pretty please  
And not the lettin'

That puts the spice in the life of every mans fantasy  
Yeah, you'll see  
It's the chasin'  
Not the catchin'  
It's the gotta know what's cooking in the kitchen  
Ooohhh, they love a little mystery  
If you wanna keep 'em guessing it's the wantin' not the  
gettin'

Oh, dontcha see it's the thrill  
If you won't, if you will  
He could be from Bowman Green or Tennessee  
Like me, yeah

It's the wantin'  
Not the gettin'  
It's the asking pretty please  
And not the lettin'  
That puts the spice in the life of every mans fantasy  
Yeah, you'll see  
It's the chasin'  
Not the catchin'  
It's the gotta know what's cooking in the kitchen  
Yeah, they love a little mystery  
So make a little mystery  
If you wanna keep 'em guessing it's the wantin' not the  
gettin'

It's the wantin'  
Not the gettin'

He could be from Mabaline or New Orleans, Bowman  
Green or Tennesse
