I'll see you in the Springtime  
After the battle is won  
I know I'm crossin over  
As far as we have come  
And I want your hand in mine, dear  
As we face that shining dawn  
Eyes open  
I'm hoping  
You'll be there with me  
So gently  
I want your hand in mine  
I want you by my side  
In the midst  
Of our great victory

The storm clouds had all gathered  
We drew our forces nigh  
And entered into battle  
Though it clamoured to the sky  
And we faced that fateful lightning  
With saints on our side  
Eyes open I'll follow that lonesome road  
To the top of the mountain  
Where the fire is blazing  
And the heat is astounding  
What's even more amazing  
Is to see you by my side
