Hey little Missy  
Don't think we won't miss you  
When you go out on the road  
When you go out on the road  
I know half of the story  
Has never been told

Well, I heard you're going up in California  
Oh, don't you think we won't be praying for you  
Oh, don't you think we won't be praying for you  
Oh, we can't do nothing but adore you

Hey little Missy  
Don't think we won't miss you  
When you go out on the road  
When you go out on the road  
I know half of the story  
Has never been told
