I've been alone searching for love
'til you came along and touched my heart
with you in my life i'll never think twice
it's you i've been waiting to call

Chorus:

Maybe it's you i'm thinking of
Who'll mend this broken heart of mine
it's you i'm wishing for who'll be with me tonight
someone to hold,someone to cry,someone who'll
make me feel alive
Maybe it's you all my life
Ohh....

No lonely hours but just precious times
I turn to you and i'm alright
Oh....
Never will die this feeling inside
with you every moment's forever

Maybe it's you
i'm thinking of who'll mend this broken heart of mine
It's you i'm wishing for who'll be with me tonight
Someone to hold,someone to cry,someone who'll
make me feel alive
Maybe it's you all my live

(instrumental)

Maybe it's you
I'm thinking of who'll mend this broken heart of mine
it's you i'm wishing for who'll be with me tonight
Someone to hold,someone to cry,someone who'll make
me feel alive
Maybe it's you all my life

Someone to hold,someone to cry,someone
who'll make me feel alive
Maybe it's you all my life

Ohhhh....

Maybe it's you all my life
