I wish I had the words to tell you  
And make you understand  
How you've made me see what love is  
And made me see who I am

Heaven sent you my way  
And every night I pray  
That I can hold your heart  
Forever in my hands

There's no letting go of the dearest thing to me  
There's no letting go of a love so true  
I've seen the dark of night and the light of day  
And thought it all through  
Well, there's no letting go  
Just no letting go of you

For you I've climbed the highest mountain  
And swam against the tide  
But you were worth all the waiting  
And every tear I've cried

Cause you came through for me  
Now I know we were meant to be  
And there's no one else I'd rather call mine

There's no letting go of the dearest thing to me  
There's no letting go of a love so true  
I've seen the dark of night and the light of day  
And thought it all through  
Well, there's no letting go  
Just no letting go of you

My love, my life  
Through the best and worst of times  
I will be here for you for sure  
Now and forevermore

There's no letting go of the dearest thing to me  
There's no letting go of a love so true  
I've seen the dark of night and the light of day

And thought it all through  
Well, there's no letting go  
Just no letting go of you

No letting go...
