Hey hey
Hooo...

Never thought I'd be losing you
I never thought that I'd be left behind
Now I see the two of you
I can't hide what I'm feeling deep inside
I wish my tears could bring you back
Guess there's nothing that I can do

[Chorus]
That every night in my dreams you're mine
And every day in my mind
You're mine all the time
Oh I miss you more than you will ever know
Can't you see that I'm falling apart
You belong to my heart
Oh baby

And when I see you I loose control
I just don't know what to say or where to go
I can't forget the memories ohh
And no one can take that away from me
I wish my tears could bring you back
Guess there's nothing that I can do

[Repeat chorus]

You belong to my heart [5x]

I wish my tears could bring you back

[Repeat chorus]
