Can this be love?
I'm feelin right now
I know for certain I'm feelin right now
I don't recall ever feeling this way
Tell me what does one say
The one who makes me feel this way

Can this be love?
I'm feelin right now
I am not sure of this feelin somehow
Why do I tremble whenever you're near?
I can't seem to say
My words so you'll hear

This is the first time
I'm gonna say I love you
It's the first time
I ever felt so helpless deep inside
If I had to say a thousand times
I tell you once again
This is the first time
I'm gonna say I love you!

Can this be love?
I'm feelin right now
I love the feelin it's giving me now
Voice inside me is guiding me now
Is telling me now
To take your hand and say

This is the first time
I'm gonna say I love you
It's the first time
I ever felt so helpless deep inside
If I had to say a thousand times
I tell you once again
This is the first time
I'm gonna say I love you!

This is the first time
I'm gonna say I love you

It's the first time
I ever felt so helpless deep inside
If I had to say a thousand times
I tell you once again
This is the first time
This is the first time
It's the first time
I'm gonna say I love youâ€¦

Love youâ€¦
