let me be the one
that you'll hold forever
when you search for love
let me be the answer
take me in your arms
and never let me go
let me be the only love
your heart will know

if you give your heart
i'll give you all of me
say the words and
i'll be yours completely
if u asked me to
i'd spend my life with you
let me be the one your heart
surrenders to

let me be the only one
that you will love forevermore
and i will be with you for sure
to love you even more
let me be the only one
beside you till forever
and i will leave you never
just let me be the one

say that you'll be mine
and i'll be yours alone
til the end of time
your life will be my own
promise to be true
to you and only you
let me be the one
you'll keep your whole
life through

let me be the only one
that you will love forevermore
and i will be with you for sure
to love you even more
let me be the only one

beside you til forever
and i will leave you never
just let me be the one
