Hey hey  
Hooo...

Never thought I'd be losing you  
I never thought that I'd be left behind  
Now I see the two of you  
I can't hide what I'm feeling deep inside  
I wish my tears could bring you back  
Guess there's nothing that I can do

[Chorus]  
That every night in my dreams you're mine  
And every day in my mind  
You're mine all the time  
Oh I miss you more than you will ever know  
Can't you see that I'm falling apart  
You belong to my heart  
Oh baby

And when I see you I loose control  
I just don't know what to say or where to go  
I can't forget the memories ohh  
And no one can take that away from me  
I wish my tears could bring you back  
Guess there's nothing that I can do

[Repeat chorus]

You belong to my heart [5x]

I wish my tears could bring you back

[Repeat chorus]
