[Chorus:]

I can make you love me all nite long
I can make you want me all nite long

[1#]

Do you wanna roll with me baby
Wanna go with me baby
Wanna chill with me baby
Let me know

Do you wanna freak with me baby
Wanna sleep with me baby
Wanna creep with me baby
Let me know

[Chorus:]

I can make you love me all nite long
I can make you want me all nite long

[2#]

Do you wanna drink with me
Do you wanna dance with me
Do you wanna ride with me
Baby let me know

Do you wanna drive with me
Do you wanna hide with me
Do you wanna slide with me
Baby let me know

[Chorus:]

I can make you love me all nite long
I can make you want me all nite long

I can, I can make you
I can, I can make you
I can, I can make you
I can, I can make you

[Rap]

[Chorus:]

I can make you love me all nite long

I can make you want me all nite long

You know what's up,
I've been watchin' isy-beatz
You know what's up
I've been pushin' isy-beatz

You know what's up,
I've been watchin' isy-beatz
You know what's up
I've been pushin' isy-beatz

[Chorus:]
I can make you love me all nite long
I can make you want me all nite long
