Take the time to know her  
Your search within her mind  
But the weight it is  
Too much for her to bear  
So she runs leaving you asking why

Why'd she run away?  
There's so much I wanted to say  
But as much as I want her to stay  
She's gone and I don't know where I went wrong  
Maybe she's hurt for too long  
But as much as I want her to stay  
She's gone away

Take the time to love her  
But suddenly you find  
That she's run away  
You are left behind  
Leaving the thought of her in your mind  
Your mind

Why'd she run away?  
There's so much I wanted to say  
But as much as I want her to stay  
She's gone and I don't know where I went wrong  
Maybe she's hurt for too long  
But as much as I want her to stay  
She's gone away

And I'd like to ask her  
"Tell me just this once  
why did it end this way?"  
But she's gone away  
As much as I'd like her to stay  
She's gone and I don't know where I went wrong  
But, oh, maybe she's hurt for too long

As much I want her to stay  
But as much as I want her to stay  
But as much as I need her  
She's gone away
