With The In Crowd

Kiss me,  
I love the way  
That you kiss me  
There's only one thing wrong  
With the way that you kiss me  
(Kiss me yeah)  
Now your kisses  
Are sweeter than sugar  
And plenty strong enough  
But the bad part is you don't  
Kiss me long enough, oh...

Do it again  
Just a little bit slower  
Do it again  
Just a little bit slower  
I just can't stand it  
When it's over  
Aw, do it again  
Just a little bit slower

Hold me,  
I love the way  
That you hold me  
There's only one thing wrong  
With the way that you hold me  
(Hold me yeah)  
Maybe you'll just laugh  
If I let you know too soon  
(Know to soon)  
But the thing that bothers me  
Is you just let go too soon,  
Oh baby

Do it again  
Just a little bit slower  
Do it again  
Just a little bit slower  
I just can't stand it  
When it's over

Do it again  
Just a little bit slower

Slower, slower,  
Kiss me just  
A little bit slower  
Tell me that you love me,  
Hold me fast,  
Make it last and...

Do it again  
Just a little bit slower  
Do it again  
Just a little bit slower  
I just can't stand it  
When it's over  
Baby, Do it again  
Just a little bit slower

Slower, slower, slower (fade)
