With The In Crowd

Dr. Jon, Dr. Jon
You're my medicine man
Dr. Jon, Dr. Jon
You're my medicine man

(Jon)
I don't use no potions
I don't use no pills
Just give me
A little lovin' care
I can cure your ills

Now if the world
Has got you down
I can put your feet
Back on the ground
Call me up
And I'll come down
Honey (She laughs) Alright

Dr. Jon, Dr. Jon
You're my medicine man
Dr. Jon, Dr. Jon
You're my medicine man

(Robin)
When I'm feeling
Low and Blue
All I gotta do
Is call on you
You can make me feel good
Yes you can
Oh, Dr. Jon
You're my medicine man

(Jon)
I specialize in lovin'
Twenty-four hours a day
I can put the color
Back-a-in your cheeks

And I won't charge much pay
You're gonna find
That I'll be there
I'll give you
Tender lovin' care
Gimme a little kissin'
I'll call it square
Honey, Honey (she laughs)
Alright

Oh, Dr. Jon, Dr. Jon
You're my medicine man
Dr. Jon, Dr. Jon
You're my medicine man

(Robin)
When I'm feeling
Low and Blue
All I gotta do
Is look at you
You can make me happy
Yes you can
Oh, Dr. Jon
You're my medicine man

Dr. Jon, Dr. Jon
You're my medicine man

Dr. Jon, Dr. Jon
(Jon)
I'm your only man

(Fade)
