Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi

Coming through vision  
Coming through wisdom  
Coming together is love  
Giving me daytime  
Giving this nighttime  
Bringing within me, this love

Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi

Coming through wisdom  
Coming through freedom  
Coming together is love  
Giving me daytime  
Giving this nighttime  
Bringing within me, this love  
Giving me daytime  
Giving this nighttime  
Bringing within me, this love

Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi

(Oona-a-aya)  
I'm talking to the sea  
(Tamara ooha)  
I'm singing to the stars  
(Shana too aya)  
Change we must  
(Lay mi)  
To live again  
(Oona-a-aya)  
Coming to the earth to the moon  
(Tamara ooha)  
I'm singing on the sky to the earth

(Shana too aya)  
Change we must, change we must  
(Lay mi) Live again

Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi

(Oona-a-aya)  
We will witness this song, we will sing  
(Tamara ooha)  
We belong to the world  
(Shana too aya)  
Our Mother so Divine  
(Lay mi)  
We live again  
(Oona-a-aya)  
This is here, this is now giving time  
(Tamara ooha)  
This is love that surrounds  
(Shana too aya)  
Change we must  
(Lay mi)  
To live again

Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi  
Oona-a-aya, tamara ooha, shana too aya, lay mi  
A moment in love forever  
Oona-a-aya, tamara ooha, shana too aya,  
Shana too aya  
Shana too aya, lay mi
