So carefully we watch and wait for you  
Listening so readily, touching you  
There is a point to surface in your heart  
(Ancient Opionian Chant)  
The light it touches you  
Once the light it touches you  
No matter what it takes  
No matter what mistakes  
No matter how which way  
No matter what it takes  
No matter what it takes  
No matter how which way  
Sitting in the glowing sphere of love  
Each and every day  
Sitting in the glow of light, of one  
You're on your way  
Take me, holding love  
Take me, holding love  
Time and time  
Take me, holding love  
Take me, holding love  
Take me, holding love  
No matter what it takes  
No matter what it takes  
No matter how which way  
Standing in the soul of your devotion  
No matter what it takes  
No matter what mistakes  
No matter how which way  
Sitting in the glow of love  
Each and every day  
Sitting in the Mother love  
Each and every day  
Each and every way  
Touch me, holding love  
Touch me, holding love  
Time and time  
Touch me, holding love  
Touch me, holding love  
Touch me, holding love  
Touch me, holding love

In my dreams I dream alone  
Words are used and tolerance shown  
Looking glass, look in my eyes  
Ease the passion of the blind  
For everywhere, the sun is there  
For those who care  
July tree I love you so  
Listen how your branches grow  
To everywhere, the sun is there  
For those who care, for those who share  
Somehow a point to surface in your life  
It teaches silently from where you start
