You ask me where to begin
Am I so lost in my sin
You ask me where did I fall
I'll say I can't tell you when
But if my spirit is lost
How will I find what is near
Don't question I'm not alone
Somehow I'll find my way home
My sun shall rise in the east
So shall my heart be at peace
And if you're asking me when
I'll say it starts at the end
You know your will to be free
Is matched with secretly
And talk will alter your prayer
Somehow you'll find you are there.
Your friend is close by your side
And speaks in far ancient tongue
A seasons wish will come true
All seasons begin with you
A world we all come from
A world we melt into one
Just hold my hand and we're there
Somehow we're going somewhere
Somehow we're going somewhere
(Instrumental break)
You ask me where to begin
Am I so lost in my sin
You ask me where did I fall
I'll say I can't tell you when
But if my spirit is strong
I know it can't be long
No questions I'm not alone
Sometime I'll find my way home, Somehow I'll
find my way home
Sometime I'll find my way home, Somehow I'll
find my way home
Sometime I'll find my way home, Somehow I'll
find my way home
