"State Of Independence"

State of life, may I live, may I love
Coming out the sky, I name me a name
Coming out silver word but what it is?
It is the very nature of the sound, the game

Siamese, Indonese to Tibet
Treat the life as a game, if you please
Coming up, Carabi, sense of freedom
Derives from a mediative State

Movin' on, believe that's it, call it magic
Third world, it is, I only guessed it

{Shablam idi Shablam ida
Shablam idi Shablam ida
Shablam idi Shablam ida}

Shot to the soul, the flame of Oroladin
The essence of the word
The 'State Of Independence'
Yeah, yeah, yeah

Sounds like a signal from you
Bring me to meet your sound
And I will bring you to my heart

Love like a signal, you call
Touching my body, my soul
Bring to me, you to meet me here

Be the sound, higher love today
Hey, hey, time, time again, it is said
We will hear, we will see
See, it all in his wisdom, hear

The truth will abound the land
This truth will abound the land
This state of independence shall be
This state of independence shall be

Time, time again, it is said
We will hear, we will see

See it all in his wisdom, hear

This truth will abound the land

This truth will abound the land

This state of independence shall be

This state of independence shall be

This state of independence shall be

This state of independence shall be

This state of independence shall be

This state of independence shall be
