Countdown... Countdown
Countdown... Countdown... 2002
Take it in... Forgiveness
Let it out... Love is all
Dance it... in a dream
Dance it... in a circle... get ready
Your heart is your guide
Countdown... Countdown
Countdown... Countdown... 2002
Be the love... in your heart
Be the dance... in your soul
Looking good... being strong
Forgiveness... Forgiving
Countdown... can you get it
Countdown... coming to you
Countdown... get ready
Countdown... 2002... coming to you
Dance the circle... Dance the dream
Love is all... Love is everything
Give your heart... Give your soul
This the time... Work it out
Countdown... Countdown
Countdown... Countdown... 2002
Countdown... Countdown
Keep it up
Countdown... Countdown... 2002
Love is All... Love is Everything
Give your Heart... Give your Soul
This the Time... Work it out
Love Yourself... Children Sing
Countdown... Countdown
Countdown... Countdown... 2002
