Fortune takes its name from tunesongs
Given for the freedom now delivered .
Wake each son and daughters lovelife
Spread the sweetest tidings now
Never let the sign of doubt
Love is here to stay
Born to dance
Born to live
Each one sacred step of life...
Born to dance
Born to live
Each one sacred step of life...
Gather all your favorite memories
Given for the wisdom now delivered
Sing each father, mother, love life
Spread the strongest tidings now
Never will the darkness be
Love is here to stay
Born to dance
Born to live
Each one sacred step of life...
Born to dance
Born to live
Each one sacred step of life...
Born to dance
Born to live
Each one sacred step of life...
Born to dance
Born to live
Each one sacred step of life...
Shake the dust of years a thousand
Speaking of the truth now delivered
All the mountains our relations
Hear the greeting tidings come
Now the world enchantment be
Love is here to stay
Born to dance
Born to live
Each one sacred step of life...
Born to dance
Born to live
Each one sacred step of life...
