So carefully we watch and wait for you
Listening so readily, touching you
There is a point to surface in your heart
(Ancient Opionian Chant)
The light it touches you
Once the light it touches you
No matter what it takes
No matter what mistakes
No matter how which way
No matter what it takes
No matter what it takes
No matter how which way
Sitting in the glowing sphere of love
Each and every day
Sitting in the glow of light, of one
You're on your way
Take me, holding love
Take me, holding love
Time and time
Take me, holding love
Take me, holding love
Take me, holding love
No matter what it takes
No matter what it takes
No matter how which way
Standing in the soul of your devotion
No matter what it takes
No matter what mistakes
No matter how which way
Sitting in the glow of love
Each and every day
Sitting in the Mother love
Each and every day
Each and every way
Touch me, holding love
Touch me, holding love
Time and time
Touch me, holding love
Touch me, holding love
Touch me, holding love
Touch me, holding love
In my dreams I dream alone

Words are used and tolerance shown
Looking glass, look in my eyes
Ease the passion of the blind
For everywhere, the sun is there
For those who care
July tree I love you so
Listen how your branches grow
To everywhere, the sun is there
For those who care, for those who share
Somehow a point to surface in your life
It teaches silently from where you start
