Better get a life if you do it to me
Got to move it through forget to
Run fast, run fast, faster than you've ever done before
Better get a life just do it. How can you betray a
friendship?
Run fast, run fast, whatever, forever

How you waste your money, do it
How you waste your body, do it
How you waste your heat love
How you waste your money, do it
How you waste your body, do it
How you waste your heat love

Say that you play the game, say that you need the fix
Walking in to darkness, you'd better get a life
Get a life and quickly, everybody dancing, looking at
you
They call him the Dancing Fool
Call him the Dancing Fool
They call him the Dancing Fool
Call him the Dancing Fool
See the Dancing Fool

Better get a life you just walked into it
Like a wall you walked into it
So fast, so fast, so fast, so fast
Better get a life you just walked into it
Like a wall you walked into it
So fast, so fast, so fast, so fast
Now let him go to forever, whatever
Now let him go to forever, whatever
Now let him go to forever, whatever
Now let him go to forever, whatever
Now let him go to forever, whatever
Now let him go to forever, whatever

Got to get a life if you're walking to it
They call him the Dancing Fool, call him the Dancing
Fool
Got to get a life if you're walking to it. See the Dancing

Fool
They call him the Dancing Fool, call him the Dancing
Fool
They call him the Dancing Fool, call him the Dancing
Fool
See the Dancing Fool
