Who brought this lovely morning
Dancin' in my head, can't help but call you
Dancin' in my head, can't help but call you
Who brought here silent teardrops
Runnin' through my head, can't help but call you
Runnin' through my head, can't help but call you
You know the heavens, they'll be dancin'
All for singing of the glory of the very day
N' in my heart of hearts
I knew it from the very start
S'taht you'd be with me
Aim to jump in
Aim to jump high
Are you with me
Are you with me
Oh! how it hits you
It's so amzing how it hits you
Letting go, how it hits you
It's so amzing when it hits you
Who changed this way of thinking
Dancin' in my head, can't help but touch you
Dancin' in my head, can't help but touch you
Who stopped my heart from crying
Running 'round my head, can't help but want you
Running 'round my head, can't help but want you
I opened the door an' I was mesmerized
All the power of the love
That shone around me and within me
N' in my heart of hearts
I know that it had to start
N' you'd be with me
There's a time for living
And a time for loving
And are you with me
Say, are you with me
Oh, how it hits you
It's so amzing how it hits you
Letting go, how it hits you
It's all amazing how it hits you
Letting go can be so easy
Letting go, it will help you
Letting go of the ceiling

Letting go to be near you
Just look at it
Keep it up, keep it up, keep up
There the pleasure to cross
There the pleasure to cross
Letting go, letting go, go, go
I just wanted to tel
