What you want, you say you,  
You gonna get it easy  
What you need, say really,  
Electronic digit!  
Scientific sell me  
So terrific to do  
Counting fifty-two, plus micro-chip  
Plus you're so serious  
Eventide delay  
Digital delay  
Anytime you meet superstition  
Just add thoughts to advision  
Then cross collateralise and  
Subsidised by television  
Media media, push to ninety-five  
Set to stabilise, Mark One plus  
Two eighty five  
Olympia  
Just listen watch  
And watch more closely now  
Such new machines self-loading  
Acquire a taste for you  
Spells the name remains the same  
Shouts of prophet laughter  
Set to spellbind you the viewer  
To view the voyager.  
Eventide delay  
Eventide delay  
Monitor special moments  
That turn to history  
The sound can bring you  
Whatever you need  
Attention Attention  
Within the groove  
Sharp sophistication  
Cumputer Casio overdrive  
Olympia  
Through these hallowed halls  
Sing into these ears  
Songs of infinite  
My child Media  
What you want, Electronic Music

What you have, such Symphonic Music  
Sanyo, Sony, power multiply by hour  
Computer redesign?  
Riding out in scale of nine  
Eventide Delay  
Digital Delay  
Anytime you need the Truth  
Tune in and turn the key  
True Media Media Media  
You know you've got to me!!
