naon

To move we delight
Call his name, his name
We chase as we run
the motion decide
Call his name, his name

Arya Arya Arya Arya
Arya Arya Arya Arya

O lend a clear light
we motion the stars
Call his name, his name
we chase as we run
to move we delight
Call his name, his name
we chase a clear light
the ocean decide
Call his name, his name

Arya Arya Arya Arya
Arya Arya Arya Arya

O chase as we ride
O motion the stars
Call his name, his name, his name...

First we hold your hand
as we lay
silent
as the dawn

Words are told your eyes
we will stay
silent
as the dawn
