I. Your Move

I've seen all good people turn their heads each day
so satisfied I'm on my way.

I've seen all good people turn their heads each day
so satisfied I'm on my way.

Take a straight and stronger course to the corner of
your life.

Make the white queen run so fast she hasn't got time to
make you a wife.

'Cause it's time, it's time in time with your time and its
news is captured

For the queen to use.

Move me on to any black square,

Use me any time you want,

Just remember that the gold (or goal)

Is for us to capture all we want, anywhere,

Yea, yea, yea.

Don't surround yourself with yourself,

Move on back two squares,

Send an instant karma to me,

Initial it with loving care

Don't surround

Yourself.

'Cause it's time, it's time in time with your time and its
news is captured

For the queen to use.

Diddit diddit diddit diddit diddit diddit diddit didda.

Diddit diddit diddit diddit diddit diddit diddit Don't

surround

Didda. Yourself with yourself.

Don't surround yourself with yourself, Don't surround
yourself.

Move on back two squares,

Send an instant karma to me, Send an instant

Initial it with loving care Karma to me. Don't surround

Yourself.

'Cause it's time, it's time in time with your time and its
news is captured
For the queen to use.
