Towa taya taka tai
Towa taya taka tai
Towa taya tak
Taya tak
Towa taya taka tai
Towa taya taka tai
Towa taya taka tai
Towa taya tak
Taya tak
Towa taya taka tai
Some are born to run
Some are born to fly
It's the essence of the love inbuilt in everyman
Some are born for fun
Some are born for lies
Do not regret a moment living out your life
Some are born to love
Some are born to hide
Through the echoes of the feelings drawn in everyman
Some are born to lose
Some are born to try
For trying harder seems the only way to go
Some are born to run
Some are born to fly
Through the echoes of the feelings drawn in everyman
Some are born to lose
Some are born to try
Trying harder seems the only way to go
Trying harder seems the only way to go
Hee we meet, I feel it in the morning light
Getting it together, does it feel right
Ohhh-
Let us be together in the morning light
Let us be together in the dawning light
Ohhh-
Let it through
Let it through
Some are born to run
Some are born to fly
It's the essence of the love inbuilt in everyman
Some are born for fun
Some are born for lies

Do not regret a moment living out your life
Some are born to run
Some are born to fly
Through the echoes of the feelings drawn in everyman
Some are born to run
Some are born to fly
Then we spend some time just hanging around
Then we spend some time just hanging around
Towa taya taka tai
Towa taya taka tai
Towa taya tak taya tak
Towa taya taka tai
