To The Runner

Hold come a day dream
Ask a flower to kneel
as you pray to the runner

Spurn all ye kindle
and cradle his sweet pleasure
as you just look
farther and farther beyond him,
beyond him, beyond him

Call for the giver, the taker
rejoicing
as you just look
farther and farther beyond him,
beyond him, beyond him

Spurn all ye kindle and cradle his sweet pleasure

In it all
to the devil take
In it all
to the devil take
