Sound out the galleon to travel to cross
close the space between pastures
as rightly attained
As old stands to plunder
expectant as one dear companion can utter
the right we achieve
Climb summer morning adn tell me of days past
did we all sing to the praises of love
And is one hand raised high in the dark
Total relating appointed close factors
of what we regard as the answer lies there
And is one hand raised high in the dark

There stands Olias to outward to build a ship
Holding within all we hope to retain
The frame will be so built to challenge the universe
Clasped with the skins of the fish of the plain

Mastered volcano erupt with the pleasure
and sing
To the power we will sail to the east
And all hands shall rise to the call

DO GA DO RIYTAN SHA TOO RAYTAN

GAN MATTA SHA PA
MUTTO MATTO

RADAN ATTO RADDAN ATTO
STOU TO MUTTO SHA GO TEKA
SHA GO TEKA DEI

Sighting our vision Ranyart will precision us
from all of our points to our destined recall

And shall all but rejoice to it all
There stands Qoqua and shall point to four corners
reaching out faster shall overtake you
To bring you to safety to travel away
from this that's rightly attained as your view

So sound out the galleon to travel to cross
close the space between pastures
as rightly attained
As old stands to plunder
expectant as one dear companion can utter
the right we achieve
