How we choose our sense of being
Take a little time out
Take a little faith in
How we dance our sense of rhythm
Take a little time out
Take a little Love in
Expect - Unexpected
Expect - Unexpected - Now
Take a little time out
Take a little faith in
Take a little time out
Take a little faith in
All in the forest of light
All in the forest of love
All in the forest of life
Standing tall the Shining Ones
Into the Forest of light
Standing still the golden ones
Into the forest of love
All in the Forest, all in
The forest, all in
The Forest of Life
Expect - Unexpected
Believe - Unbelievable
Realize - Indescribable
Receive - Undeniable Love
Into the forest of life
All in the forest of life
All in the forest of love
All in the forest of love
Expect - Indescribable
Expect - Undeniable Love
Take a little time out
Take a little faith in
Take a little time out
Take a little faith in
Take a little time out
Take a little faith in
Take a little time out
Take a little faith in
How we reach that state of wonder
How we choose our path to follow

Treestar glowing
Under the covers of Love
Under the covers of Love
Under the covers of Love
