(Johnny Van Zant - Erik Lundgren - Robert White Johnson)

Young girls out on the street  
Late night with nowhere to sleep  
Runnin' away nothing's at home  
Carrie she packed up her dreams  
Truth is more than it seems  
Cold hard facts are scary face to face.

But she's too caught up  
And the fantasy won't let go  
Sooner or later somethin' is gonna break  
She'll find out the hard way.

Chorus:  
Young girls know what to do  
Show up in red and end up wearin' blue  
Young girls, no it ain't nothin' new  
Don't know when to leave it alone.

Desperate she follows the lights  
To get by just one more night  
She'd give anything  
To have it the way it was.

Well, she's too caught up  
And the fantasy won't let go  
Sooner or later somethin' is gonna break  
She'll find out the hard way.

Young girls know what to do  
Show up in red and end up wearin' blue  
Young girls, no it ain't nothin' new  
Don't know when to leave it alone.

Young girls, no one to catch you  
When you fall  
Young girls they'll find out the hard way.

Chorus:

Young girls know what to do  
Show up in red and end up wearin' blue  
Young girls, no it ain't nothin' new  
Don't know when to leave it alone...
