I wish I could learn  
How to read your mind  
Even though we've known  
Each other for some time

I've got something to say  
I hope I never regret  
Let's take off our clothes  
And put this love to the test

But there is a danger  
There is no doubt  
But making love  
Is what life is about

Be my partner, be my guest  
Let's take off our clothes  
And put this love to the test

You can be cruel  
But can you be kind  
I don't suppose we could  
Take off our clothes  
And have a good time  
Your place or mine

If I'm jumping the gun  
Ignore my remark  
I'm merely shooting  
Arrows in the dark

For a heart to heart  
Right here in the flesh  
Let's take off our clothes  
And put this love to the test

And as sure as the sun  
Goes down in the West  
We should take off our clothes  
And put this love to the test

Let's take off our clothes

And put this love to the test

Let's take off our clothes  
And put this love to the test

Let's take off our clothes  
And put this love to the test
