Fortune plango vulnera  
stillantibus ocellis  
quod sua michi munera  
subtrahit rebellis.  
Verum est, quod legitur,  
fronte capillata,  
sed plerumque sequitur  
Occasio calvata.

In Fortune solio  
sederam elatus,  
prosperitatis vario  
flore coronatus;  
quicquid enim florum  
felix et beatus,  
nunc a summo corru  
gloria privatus.

Fortune rota volvitur:  
descendo minoratus;  
alter in altum tollitur;  
nimis exaltatus  
rex edet in vertice -  
caveat ruinam!  
nam sub axe legimus  
Hecubam reginam.
