Ain't no doubt about it, this must be love  
One little kiss from you and I feel glad all over  
Ooh baby, hot-dang-dilly, it's so silly but I'm glad all  
over  
I got goose pimples baby, 'cause it feels so good  
When you cuttle me like you do and I feel glad all over  
Ooh mercy, I'm a real cool pappy and I'm happy  
And I'm glad all over  
Well your touch goes through me like electric fire  
Well, every part of me glows  
It don't take much lookin' to see what I got  
'Cause it shows, shows!  
Come on honey please one more time  
Everytime you do, well I feel glad all over  
Ooh mercy, hot-dang-dilly, it's so silly but I'm glad all  
over  
  
Well I'm tryin' to tell you I'm cookin' inside  
When we're cheek to cheek  
Temperature's low but my fever is hot  
I can't speak, I'm so weak  
Come on honey-bunny kiss me one more time  
Everytime you do, well I feel glad all over  
Ooh mercy, hot-dong-dilly, it's so silly but I'm glad all  
over  
Hot-dang-dilly, it's so silly but I'm glad all over  
Ooh, hot-dang-dilly, it's so silly but I'm glad all over
