QUIS DEUS MAGIS

quis deus magis est amatis Which god is more to be
sought by lovers
petendus amantibus? who are loved? Which of the
gods
quem colent homines magis will people look after the
more
caelitum, o Hymenaeae Hymen, o Hymeneaus Hymen,
o Hymen Hymenaeae? o Hymeneaus Hymen?

te suis tremulus parens
invocat, tibi virgines
zonula solvunt sinus, ---
te timens cupida novos
captat aure maritus.

tu fero iuveni in manus
floridam ipse puellulam
dedis a gremio suae ---
matris, o Hymenaeae Hymen,
o Hymen Hymenaeae.

nil potest sine te Venus,
fama quod bona comprobet,
commodi capere, at potest
te volente. quis huic deo who would dare
compararier ausit? be compared to this god?

nulla quit sine te domus Without you no family can give
children
liberos dare, nec parens and no parent can rely on his
offspring
stirpe nitier; ac potest but he can when you are willing
te volente. quis huic deo who would dare
compararier ausit? be compared to this god?

quae tuis careat sacris, A land that lacked your holy
rites
non queat dare praesides would not be able to give
terra finibus: at queat guardians to its borders, but it

would
te volente. quis huic deo if you were willing. who would
dare
compararier ausit? be compared to this god?
