Girl, it's alright, now
'Cause it's there in your eyes
Yeah, I can see that you want me
By the way that you smile
R u still down for me?

Left once again at home
Another night on your own
Ain't no fun in loving
If you're loving alone

How does it feel to be useless?
Oh no, can you recall how?
Close, we use to be down
Can you still remember those feelings again?

Seems like every time I see you
There's a tear in your eye
Time to make some decisions
Or go dying inside

Tell 'em, all call me a fool
But I'm stuck in this love thang
Plus, I'm overheatin' from the rush
Our tongues touch, kissin', feelin' fireworks

Watch the sky, I make you smile
But you'd rather have
What makes you cry
Say goodbye and leave now
With my heart on my sleeve

Memories what I found is you
Still care you had feelings
(Still care)
And they're still there, baby
Girl, keep it real here
R u still down

Girl, it's alright now
'Cause it's there in your eyes
Yeah, I can see that you want me

By the way that you smile

R u still down for me?

R u still down for me?

R u still down for me?

Remember that evening

I knew that you were too scared

To go all the way

But you did it to please me

Crying, it was raining

When you gave it to me

The more I see you

The more that I feel inside

And I know one day

You'll make it back

To where you can fly

(Watch time)

Go, don't cry

Tomorrow brings better days

Let me dry your eyes

Take your burdens away

Only once in a lifetime

Touch my soul

Go slow, baby boo

Don't rush the flow

Got me all weak, baby

But I'm strong in parts

More bounce to the ounce

With the longest sparks

Gettin' mine like fine wine

Measured in time

Many other brothers loved you

But the pleasure was mine

Mama taught me how

To love a woman properly sprung

We committed so I hit it

So it's properly done

R u still down

Girl, it's alright, now

'Cause it's there in your eyes

Yeah, I can see that you want me

By the way that you smile

R u still down for me?

Girl, it's alright, now
'Cause it's there in your eyes
Yeah, I can see that you want me
By the way that you smile
R u still down for me?

Girl, it's alright, now
'Cause it's there in your eyes
Yeah, I can see that you want me
By the way that you smile
R u still down for me?
