Don't even like to think about it
I don't know what I'd do without it
I only know that I live and breathe for your love
Baby you came to me in my time of need

When I needed you, you were there for me
Baby the love from you is what got me through
It's because of you, I was able to
Give my heart again, you gave me

Someone to love, someone to touch
Someone to hold, someone to know
Someone to love, someone to trust
Someone to hold, oh someone to know

I thought I'd never love again, I thought my life was
over
And I didn't want to face or even see another day
Suddenly from nowhere, baby you appeared

You dried my tears, you cared for me
Maybe your love for me, truly rescued me
It's because of you, I was able to
Fall in love again, you gave me

Someone to love, someone to touch
Someone to hold, oh someone to know
Someone to love, someone to trust
Someone to hold, oh someone to know

For so long in my life, I wouldn't let love inside
But I swallowed my pride the day you arrived
Now that you're by my side, everything is all right
It's because of you, I was able to give my heart again
You gave me

Someone to love, someone to touch
Someone to hold, someone to know
Someone to love, someone to trust
Someone to hold, oh someone to know

Someone to love, someone to touch

Someone to hold, oh someone to know
Someone to love, someone to trust
Someone to hold, oh someone to know

Someone to love, someone to touch
Someone to hold, oh someone to know
Someone to love, someone to trust
Someone to hold, oh someone to know
