### Verse 1:

I listen to your body when it's talkin'  
Conversation so deep with your soft skin  
Me and you together, scorio magic  
Stuck on it and I'm making this a habit  
Make me wanna detail up the ride for you  
Or maybe get dressed fresh and nicely just to  
Take you out on the town and spend a stack of lute  
So just before your clothes come off, your outfit's cute

Callin' this love, cause I'm loving you  
'Til your body gets enough, I'ma keep on tonight  
Give me all the goods like your treasure's mine  
We'll love (freezing cold?) watch it fall from the sky

Drip, drop, it's falling down  
Drip, drip, listen to the sound  
I can hear it fallin' fallin' down, down

### Chorus:

Like drops of rain fallin' on your face  
Your love can blow a storm away  
You can make it rain when you're lovin' me  
I can make it rain when I'm lovin' you babe  
Like it's pouring rain, it's fallin' on your face  
Love can rock your body like a hurricane  
I know just how to love you, you know how to love me  
You know how to love me baby

### Verse 2:

Like kisses on your neck when I'm smilin'  
Laughin' bout what you know, ain't no jokin'  
You and me together, something so classic  
Stuck on me and you're makin' me your habit  
You make a brother wanna copy keys for you  
Put you in your own whip that's not a lease, no  
Ain't no limit to the dreams that I see  
But I'd love to turn the dream into reality

Callin' this love, cause I'm loving you (right)  
'Til your body gets enough, I'ma keep on tonight  
Give me all the goods like your treasure's mine

We'll love (freezing cold?) watch it fall from the sky

Drip, drop, it's falling down  
Drip, drip, listen to the sound  
I can hear it fallin' fallin' down, down

Chorus

Like drops of rain fallin' on your face  
Your love can blow a storm away  
You can make it rain when you're lovin' me  
I can make it rain when I'm lovin' you babe  
Like it's pouring rain, it's fallin' on your face  
Love can rock your body like a hurricane  
I know just how to love you, you know how to love me  
You know how to love me baby

You can make it rain when you're lovin' me  
I can make it rain when I'm lovin' you babe  
Like it's pouring rain, it's fallin' on your face  
Love can rock your body like a hurricane  
I know just how to love you, you know how to love me  
You know how to love me baby
