Verse 1:

Somebody told me that you were here
With your girls but by yourself
So what's holding you back
When we to be loosing it, cut up a bit
You know I'm with all that you're bringing girl

Chorus:

You do it every time, blow my mind
Baby, show me why I came out tonight
You do it every time, see you walking on by
Kind of thick in them thighs, got to be my jump off
tonight

Verse 2:

So girl let's keep this going, cause I ain't tired
I'm open wide and I ain't shy
I'm just letting you know
We can get it on to six in the morning
You the hottest piece up in this joint
I must release, girl lets cut to the point
It's you that's keeping this going
I can feel your body telling me something
It's obvious to see that you're in need
You shift your hips, you lick your lips
I can't resist, it's kind of sick the way that you f**k with
my mind

[Chorus]

Bridge:

Every time I see your face
It really blows my mind
Baby, show me why I came out tonight
Gotta make a jump off tonight

[Rap] Dirt Mcgirt

Lisa, Keisha, Angela, Renee
No strings attached girl I just wanna play
All y'all look like candy, make me you scream oh when I
tickle your fancy
Ain't no shame on a n***a, ain't no game, I'm just

buggin' off your figure
Have a little Armendale, girl take a swigga
You don't have to worry about the cost when you pop
off with the boss
Your thighs keep my eyes extra wide, surprise, I'm a
big boy, recognize
A broad is what you are by far, I'm wishing on a star in
my car
Body in the back all up to the ceiling
Sexual healing is what I'm feeling
You and me girl we can rule the world
We can jump it off, jump it off

[Chorus]

Dirt McGirt
Get nasty, get crazy, get nasty, and just jump it off
Get nasty, get crazy, get nasty, and just jump it off
Get nasty, get crazy, get nasty, and just jump it off
Get nasty, get crazy, get nasty, just jump it off
