(Verse One)

This is a celebration dedication over due...  
As the song plays through the nation  
The world will learn to appreciate you  
Like I do

(Chorus)

I can't help it  
I'm a helpless romantic  
You're the ocean  
I'm Titanic  
Baby I would sink for you  
(Repeat)

(Verse Two)

You got that feel good you're so tempting  
Your like a villa with a private pool and  
The Caterer is me servin you  
My boys gonna think I'm slippin but,  
That's just what they do  
Cause pimpin is over rated  
Compared to makin love to my baby....  
Hey u know

(Chorus)

(Repeat)

(Bridge)

What makes a man not mess it all up?  
What makes a man in to a man?  
When does he finally understand?  
That I can't help it

(Chorus)

(Repeat)
