"I'm Right Here"

[Verse 1:]

Baby I've got something I have to tell you
Bout me addicted to this feelin here
Now I know we've known each other for a while
Now it's time I get this off my chest right now

[Chorus:]

Girl you need to be with me
I can give you what you need
I'm right here, I got just what you want
You ain't never been in love
No more wastin' time cause I'm right here
I got just what you want

[Verse 2:]

Just wanna be with you, riding together on 22's
Layback in love, layback with you
Now I know you're my friend
But I'm tired of pretending everything is cool
When I'm just tryin' to get with you

[Chorus]

[Bridge 1:]

La la la la la la la, la la la la la la la la
La la la la la la la, la la la la la la la la
La la la la la la la, la la la la la la la la

La la la la la la la, la la la la la la la la

[Chorus]

[Bridge 2:]

Girl we waited all night, now I wanna talk to you
I'm in the place, just wanna jam with you
I got just what you want
Waited all night, now I wanna talk to you baby

[Chorus]
