"Mercy Mercy Me"

Woo oh, mercy mercy me
Oh things ain't what they used to be, no no
Where did all the blue skies go?
Poison is the wind that blows from the north and south
and east

Oh mercy, mercy me
Oh things ain't what they used to be, no, no
Oil wasted on the ocean and upon our seas, fish full of
mercury

Ah oh mercy, mercy me
Oh things ain't what they used to be, no no
Radiation underground and in the sky
Animals and birds who live nearby are dying

And oh mercy, mercy me
Oh things ain't what they used to be
What about this overcrowded land
How much more abuse from man can she stand?
Oh, no no no
