### "Part Of U"

I was so cold  
I was so blown  
I was so lonely inside  
You were so nervous  
When you first heard this  
That every man is gonna try your heart  
But your so real  
Know how I feel  
So we both continue to play our part  
Coming into a start  
Girl this gon be hard  
But it's nothing we both can't get through  
Baby I

#### *[Chorus:]*

I just want a part of you that  
No man, no man's had  
So I'm just gonna love you  
Just like I said I do  
And handle it  
Lettin you know this love's  
Really taking over us  
Has the season fallin  
Like snow in the cold mountains  
Know my heart is for sure

Baby how can it be, all that you said  
When I know I'm just a man  
But you make it feel perfect  
Like I don't deserve it  
Like your the only one who understands  
Makin love daily, makin sure we eat  
Tryin to fulfill all my lady's demands  
Tellin you all confessions and  
Keepin no secrets  
Girl this is all I got in my future plan

#### *[Chorus]*

Yeah baby, do u feel me now

I'm gonna handle it  
Just like you like yeah whoa  
I'm gonna handle your body baby  
Gonna handle your body baby  
Gonna handle, wanna handle your

*[Chorus]*
