### Verse 1:

Don't be mad, I'm not tryin' to offend  
Your shape is captivating  
But I'ma be patient if I have to I'ma just fall back  
Ain't no need to press the fact that I'm open off your  
style  
Your sexy when you walk, I ain't even heard you talk yet  
yeah  
If your voice is as fly as your skin tone  
Then I already know just what you sound like when you  
moan

### Chorus:

I don't wanna be patient, don't wanna jump the gun  
But I don't want somebody else to scoop you up  
But I'ma be patient  
Maybe I wanna see if you're feeling me baby

### Verse 2:

Girl, it's plain to see  
When you get close to me you make me feel the heat  
I never met anyone quite like you, baby  
Extend your love to me  
Let me give you what you need

### [Chorus]

### Jon's Rap:

If it takes me a minute

It's only cause it's looking like my dream and you in it  
You messed around and gave the eye and now you did  
it  
Baby I don't wanna see you give somebody else your  
digits  
But baby your body is like a sexy nine pearl handle  
design  
Thought she was shy, she fly, pull me from behind  
Baby kinda bonafide, cool relax type, the pleasures I  
like  
Is my everyday struggles in life

Bridge:

Ain't no holding back, good things come to those who  
wait

Baby you and I should just motivate

Don't wanna miss you lady

I'm still J.B. if you pass, I'ma do my damn thing

I'm about to let you know

Ooh ooh ooh, ooh ooh ooh ooh ooh ooh, ooh ooh ooh

yeah, alright

I'ma just let you do your friends and I'ma get at you  
later

Or maybe I might not

[Chorus]
