[Intro - Jon B.]

You have this way about you, that's so adorable

[Jon B.]

You have this way about you, that's so adorable

Ain't nothing fake about you, girl you're so
approachableYou probably never done a bad thing in your life
The type of girl that make a player wanna do right
And I wanna let you know, it ain't just cause your
beautifulBut I don't mind the physical but we go so much deeper
yoAnd I ain't never thought I would say no s**t like that
But as a matter of factYou're the reason why I always come home early girl
Cause I know you'll be there waiting for me
And I got no reason for me to second guess it girl
I know your crazy bout me

[Chorus - Babyface]

That's what I like about you

I love it when you dance with me

What I adore about you

I love it when you laught with me

That's what I like about you

How we be liking the same song

That's what I like about, what I adore about, that's what
I like about you

I love it how you chill me out

What I adore about you

And somehow never put me down

That's what I like about you

You know how to make a player proud

Yeah, that's what I like about, that's what I like about
you

[Jon B.]

You're so incredible, it's understandable

That's why I'm always trying to floss you, you're so
bankable

Girl, do you even know the damage that you cause
I'll do just bout anything for you, even damn near break
the law
And If the world was ending I know just where I would
wanna go
Just one day left what to do, spend my last minutes with
you
And I ain't never thought I would say no s**t like that to
you
Boo, but as a matter of fact
You're the reason why I always come home early girl
Cause I know you'll be there waiting for me
Ain't no reason for me to second guess you girl
I know your crazy bout me

[Chorus]

[Jon B.]

First I wanna tell you how much I like
That thing you do when I do it to you
We be makin our ride bump up and down, bounce
bounce
We gon' take it to the house, we can go another round
You know I like to wear it out, girl I like it when you
shout my name
From our up and down game, tell me baby who's
playing
That's my word, you got the thang
Good enough to eat your lovin' like a home cooked
plate, yeah
You're the reason why I always come home early girl
Cause I know you'll be there waiting for me
And I got no reason for me to second guess you girl
I know your crazy bout me

[Chorus]
