### Verse 1:

I can't deny the fact that I spend my time with u  
But lately even little sh\*t got me losin my grip and  
there's something we gotta do  
now either u stop going through my pockets late  
at night getting caught up in what u might find  
baby I got love for you but I'ma have  
to fall back even though u usually spend the night

### Chorus:

What in the world  
What in the world are we doing?  
Spending so much time?  
What is it girl  
What in the world are we doing?  
I guess all I know is that  
It's a beautiful thing  
To give love,  
A beautiful thing  
To get loved,  
Such a beautiful thing, but  
What in the world are we doing?

### Verse 2:

Sometimes u got me feeling like I got a personal angel  
But I've learned from the past to keep my expectations  
low  
Cause don't u know what it feels like when u put  
All your faith in someone and they bounce  
Then u know what u know about love

### Bridge:

Baby we need to take precautions (I think we need to  
take precautions baby)  
things are heating up  
So fast emotions the time it takes to get to  
where(Cause we let our emotions get the best of us)  
We are such a short time it seems but what a  
Long time indeed. It's been a minute which ya baby.

### Chorus:

What in the world

What in the world are we doing?  
Spending so much time?  
What is it girl  
What in the world are we doing?  
I guess all I know is that  
It's a beautiful thing  
To give love  
A beautiful thing  
To get Loved  
Such a beautiful thing, but  
What in the world are we doing?
