Some 15 year old kid sits on his porch, just half-past  
noon  
Trying to figure out just what he's doing  
Why he had to grow up so soon  
With all the gangs, all the guns - whatcha gonna learn  
in school  
There's got to be some way out of here  
He says: Man, this life is cruel

I knew this Puerto Rican girl who lied to change her life  
She changed her name, her face because the grass  
looked greener  
on the other side  
She turned her back, she ran away straight into the  
night  
Her friends, her family feel the pain, but she's the one  
who cries

Tell me what you want (Tell me what you want)  
Tell me what you need (Tell me what you need)  
I want everything (I want it all)

I've had enough of havin' nothing, I won't take just  
anything  
I got my mind set on something, All I want is everything  
It's my life Mr. - I ain't running, I'm no puppet on a string  
I want more than I see coming  
All I want is everything  
All I want is everything

Say a prayer for Donnie, he died in his room just the  
other day  
His brother came home, found him dead on the floor  
with a needle in his vein  
Cops came down with a body bag, they said Donnie's a  
casualty  
I said, All it's about is the boy checked out, he couldn't  
handle reality

Tell me what you want (Tell me what you want)  
Tell me what you need (Tell me what you need)  
I want everything (I want it all)

I've had enough of havin' nothing, I won't take just  
anything  
I got my mind set on something, All I want is everything  
It's my life Mr. - I ain't running, I'm no puppet on a string  
I want more than I see coming  
All I want is everything  
All I want is everything  
I want it all

Tell me what you want (Tell me what you want)  
Tell me what you need (Wont you call me, tell me just  
what you need)  
Tell me what you want (Tell me what you want)  
I want everything (Everything)

I've had enough of havin' nothing, I won't take just  
anything  
I got my mind set on something, All I want is everything  
It's my life Mr. - I ain't running, I'm no puppet on a string  
I want more than I see coming  
All I want is everything  
All I want is everything  
All I want is everything  
All I want, well I want it all  
I want it, I want it, I want it
