This Romeo is bleeding  
But you can't see his blood  
It's nothing but some feelings  
That this old dog kicked up.

It's been raining since you left me  
Now I'm drowning in the flood  
You see I've always been a fighter  
But without you I give up.

Now I can't sing a love song  
Like the way it's meant to be  
Well I guess I'm not that good anymore  
But baby that's just me.

And I will love you baby always  
And I'll be there forever and a day always  
I'll be there till the stars don't shine  
Till the heavens burst and the words don't rhyme  
And I know when I die you'll be on my mind  
And I'll love you always.

Now your pictures that you left behind  
Are just memories of a different life  
Some that made us laugh  
Some that made us cry  
One that made you have to say good bye.

What I'd give to run my fingers through your hair  
To touch your lips to hold you near  
When you say your prayers try to understand  
I've made mistakes I'm just a man.

When he holds you close  
When he pulls you near  
When he says the words  
You've been needing to hear  
I'll wish I was him with those words of mine  
To say to you till the end of time.

And I will love you baby always

And I'll be there forever and a day always  
If you told me to cry for you I could  
If you told me to die for you I would  
Take a look at my face  
There's no price I won't pay  
To say these words to you.

Well there ain't no luck in these loaded dice  
But baby if you give me just one more try  
We can pack up our old dreams and our old lives  
We'll find a place where the sun still shines.

And I will love you baby a
