This Romeo is bleeding
But you can't see his blood
It's nothing but some feelings
That this old dog just kicked up

Since you left me it's been rainin'
Now I'm drownin' in the flood
You see I've always been a fighter
But without you I give up

Now I can't sing a love song
Like the way it's meant to be
Well I guess I'm not that good anymore
But baby that's just me

And I will love you, baby
Always
And I'll be there forever and a day
Always

I'll be there till the stars don't shine
Till the Heavens burst and the words don't rhyme
I know when I die, you'll be on my mind
And I'll love you, always

Now your pictures are all that you left behind
With some memories of a different life
Some that made us laugh, some that made you cry
One that made you have to say goodbye

What I'd give it to run my fingers through your hair
And to touch your lips, to hold you near
When you say your prayers, try to understand
I've made mistakes, I'm just a man

When he holds you close and he pulls you near
And he says the words that you needed to hear
I'll wish I was him, 'cos those words are mine
To say to you till the end of time

And I will love you, baby
Always

And I'll be there forever and a day
Always

I'll be there till the stars don't shine
Till the Heavens burst and the words don't rhyme
I know when I die, you'll be on my mind
And I'll love you, always

If you told me to cry for you, baby I could
If you told me to die for you, I would
Take a look at my face, there's no price I won't pay
To say these words to you

Well I got ain't luck these are loaded dice
So baby if you give me just one more try
We can pack up and carry on with our old lives
We'll find a place where the sun still shines

And I will love you, baby
Always
And I'll be there forever and a day
Always

I'll be there till the stars don't shine
Till the Heavens burst and the words don't rhyme
I know when I die, you'll be on my mind
And I'll love you, always

Always, always
I'll be there till the stars don't shine
Till the Heavens burst and the words don't rhyme
Always
