Your love is like bad medicine
Bad medicine is what I need
Shake it up, just like bad medicine
There ain't no doctor that can cure my disease
Bad medicine

I ain't got a fever
Got a permanent disease
It'll take more than a doctor
To prescribe a remedy

I got lots of money
But it isn't what I need
Gonna take more than a shot
To get this poison out of me

I got all the symptoms count 'em 1,2,3

That's what you get for fallin in love
Then you bleed
You get a little but it's never enough
On your knees
That's what you get for falling in love
Now this boys addicted because your kiss is the drug!

Your love is like bad medicine
Bad medicine is what I need
Shake it up, just like bad medicine
There ain't no doctor that can cure my disease

Bad
Bad medicine

I don't need no needle
To be GIVING me a thrill'n
And I don't need no anesthesia
Or a nurse to bring a pill

I got a dirty down addition
It doesn't leave a track
I got a JONES for your affection
Like a monkey on my back

There ain't no paramedic
Gonna save this heart attack
When you need
That's what you get for falling in love
Then you bleed
You get a little but it's never enough
On your knees
That's what you get for falling in love
Now this boys addicted because your kiss is the drug!

Your love is like bad medicine
Bad medicine is what I need oh oh oh
Shake it up, just like bad medicine
So let's play doctor, baby
Cure my disease

Bad
Bad medicine
Is what I want
Bad
Bad medicine
Is what I need

I need a respirator 'cause
I'm running out of breath
You're an all night generator
Wrapped in stockings and a dress

When you find your medicine
You take what you can get
Cause if there's something better baby
Well they haven't found it yet, oh oh oh

Your love is like bad medicine
Bad medicine is what I need oh oh oh
Shake it up, just like bad medicine
There ain't no doctor that can cure my disease
Your love,
Bad medicine
Bad medicine is what I need, oh oh oh
Your love!

Shake it up, just like bad medicine
There ain't no doctor that can cure my disease
Bad medicine
It's all I want

Bad
Bad medicine
Who's next, who's next?

I got to do, I got to do...
I got to do, I got to do...
I got it, I got it...
I got to do it again

Wait a minute, wait a minute

Follow me...

One more time
What feel!...
Come on!

Your love is like bad medicine,
Bad medicine is what all I need
Oh oh oh, shake it up, just like bad medicine
You got a doctor that can cure my disease

Your love!
Bad medicine...
