I can still remember  
When I was just a kid  
When friends were friends forever  
And what you said was what you did

Well, it was me and Danny and Bobby  
We cut each other's hands  
And held tight to a promise  
Only brothers understand

But we were so young (so young)  
One for all and all for one (for one)  
Just as sure as the river's gonna run

Blood on blood  
One on one  
We'd still be standing  
When all was said and done  
Blood on blood  
One on one  
And I'll be here for you  
Till Kingdom come  
Blood on blood

Well, Bobby was our hero  
Cause he had a fake I.D.  
I got busted stealing cigarettes  
And he took the rap for me

Danny knew this white trash girl  
We each threw in a ten  
She took us to this cheap motel  
And turned us into men

We were so young (so young)  
One for all and all for one (for one)  
Just as sure as the river's gonna run

Blood on blood  
One on one  
We'd still be standing  
When all is said and done

Blood on blood  
One on one  
And I'll be here for you  
Till Kingdom come  
Blood on blood

Solo

Now Bobby, he's an uptown lawyer  
Danny, he's a medicine man  
And me, I'm just the singer  
In a long haired rock'n'roll band

Through the years and miles between us  
It's been a long and lonely ride  
But if I got a call in the dead of the night  
I'd be right by your side

Blood on blood, blood on blood

Blood on blood  
One on one  
We'd still be standing  
When all is said and done  
Blood on blood  
One on one  
And I'll be here for you  
Till Kingdom come  
Blood on blood
